

GLOBALPURSERS

Your **Trusted Partner** in **Superyacht Admin**

## The smart way to **manage** **superyacht** **admin**

**You didn't sign up for yacht-  
ing to drown in paperwork.**

But the reality? Managing accounts, crew scheduling, certifications, and endless admin takes up valuable time, time that should be spent running a world-class operation.

Global Pursers is your **shore-based solution**, handling the admin that doesn't need to be an onboard operation, so you and your crew can focus on what truly matters: **delivering an exceptional experience.**

WHAT WE HANDLE SO YOU DON'T HAVE TO

**Accounts Processing & Expense Management**

**Crew Flights, Rotation & Travel Arrangements**

**Certification & Compliance Tracking**

**Port Clearance & Immigration Paperwork**

**Medical & Insurance Claims**

**Yard Planning and Execution**

**Yacht equipment research and sourcing**

**General Admin & Document Management**

Everything is **secure**, **seamless**, and **customized** to your yacht's existing systems so you don't have to change a thing.

# Trusted experts who've been there

**We know the challenges you  
face because we've lived them.**

Our team is made up of former yacht pursers and senior crew who understand the demands of the industry inside and out. We know what's urgent, what's important, and how to anticipate your needs before you even have to ask. **Accuracy, efficiency, and discretion** are at the core of everything we do.

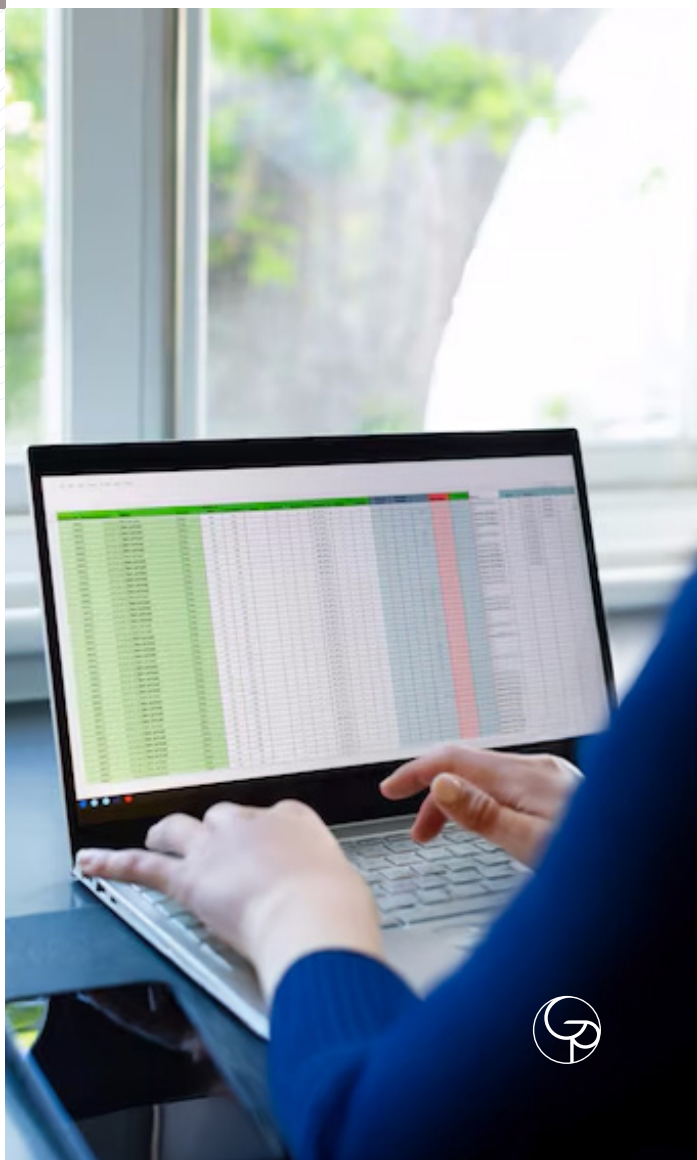

## A COST-EFFECTIVE, SCALABLE SOLUTION

Hiring a dedicated onboard administrator is expensive.

Why pay for a full-time crew member salary, flights, insurance, food, accommodation when Global Pursers can provide that **high-level support remotely, at a fraction of the cost?** Scale up or down as needed, **without the extra overheads.**

## SECURE, SEAMLESS, AND STRESS-FREE

We integrate into your yacht's operations **effortlessly**. Whether you use IDEA, YMS, Triton, Excel, or custom onboard procedures, **we adapt to your systems**—no learning curve, no disruptions. Plus, security is our priority. **Your data is handled with confidentiality**, encrypted communication, and meticulous attention to detail.

LET'S MAKE YOUR LIFE  
**EASIER AND EFFICIENT**
